ARIZONA WILDLIFE FEDERATION (AWF) 2017 BOW SCHOLARSHIP APPLICATION

The Arizona Wildlife Federation (AWF) offers both full and partial BOW Scholarships for women aged 18 years and older who are full-time residents of Arizona and who have not previously attended a BOW event. These scholarships enable women to participate in BOW who otherwise may not be able to afford the registration fee. *Recipients may receive only one scholarship (full or partial) in a lifetime.*

The Arizona Wildlife Federation BOW Committee retains the exclusive right to determine scholarship funding. **NOTE**: We usually have multiple applications for limited scholarships. Responses to each of the questions will be carefully considered. You may include additional information, not to exceed one additional page, to support your application.

Applications will be accepted only during the following dates:

February 8 – February 22 for the April 7-9 event at Friendly Pines in Prescott May 10 – May 24 for the September 8-10 event at Friendly Pines in Prescott

Applicants will be notified of their status within 3 weeks of the closing date for applications.

E-mail a copy of the Scholarship Application and any attachments to: awf@azwildlife.org
Subject line should read: BOW Scholarship Application
