Dear Linda,

I want to take a moment and thank you and the BOW committee for allowing me to attend this last BOW retreat. By my receiving the scholarship, I gained SO MUCH from this program. Friendships, knowledge, experience in areas I never would have. I have already been able to teach my family some of the things I learned, and I have to tell you, it has really enriched my life.

I am very appreciative of the staff and facilities of Friendly Pines camp, such nice people, and such clean and beautiful environment. Food, everything, was so much fun.

The volunteer faculty, I am really blown away by how qualified they are, and how lucky I was to have been taught by them, not an everyday opportunity, that is for sure! I will always treasure these memories, my first BOW, and I look forward to more of them. I have already gotten a couple of other women interested in going next time! Thank you again, to all who saw fit for me to receive this very generous scholarship. I am so thankful I had this experience. So grateful. Thank you again.

Sincerely,

Susy Manning    BOW Scholarship recipient of Aug. 09 BOW retreat.
